THE **ART**
OF **DESIGNING**
AND **CRAFTING**
EXQUISITE
SURFACES

الشمس Al-Shams

Al Anwar Ceramic Tiles Company SAOG, Oman is specialized in manufacturing and distribution of finest Ceramic tiles in the region. We offer unique and top-quality Porcelain and Ceramic tiles for various applications.

Our factory in Nizwa, Oman established in 1998 is one of the largest factories for manufacturing tiles in the region. This state of art facility built with machinery and technical collaboration from leading Italian companies has capacity to produce more than 50,000 SQM per day.

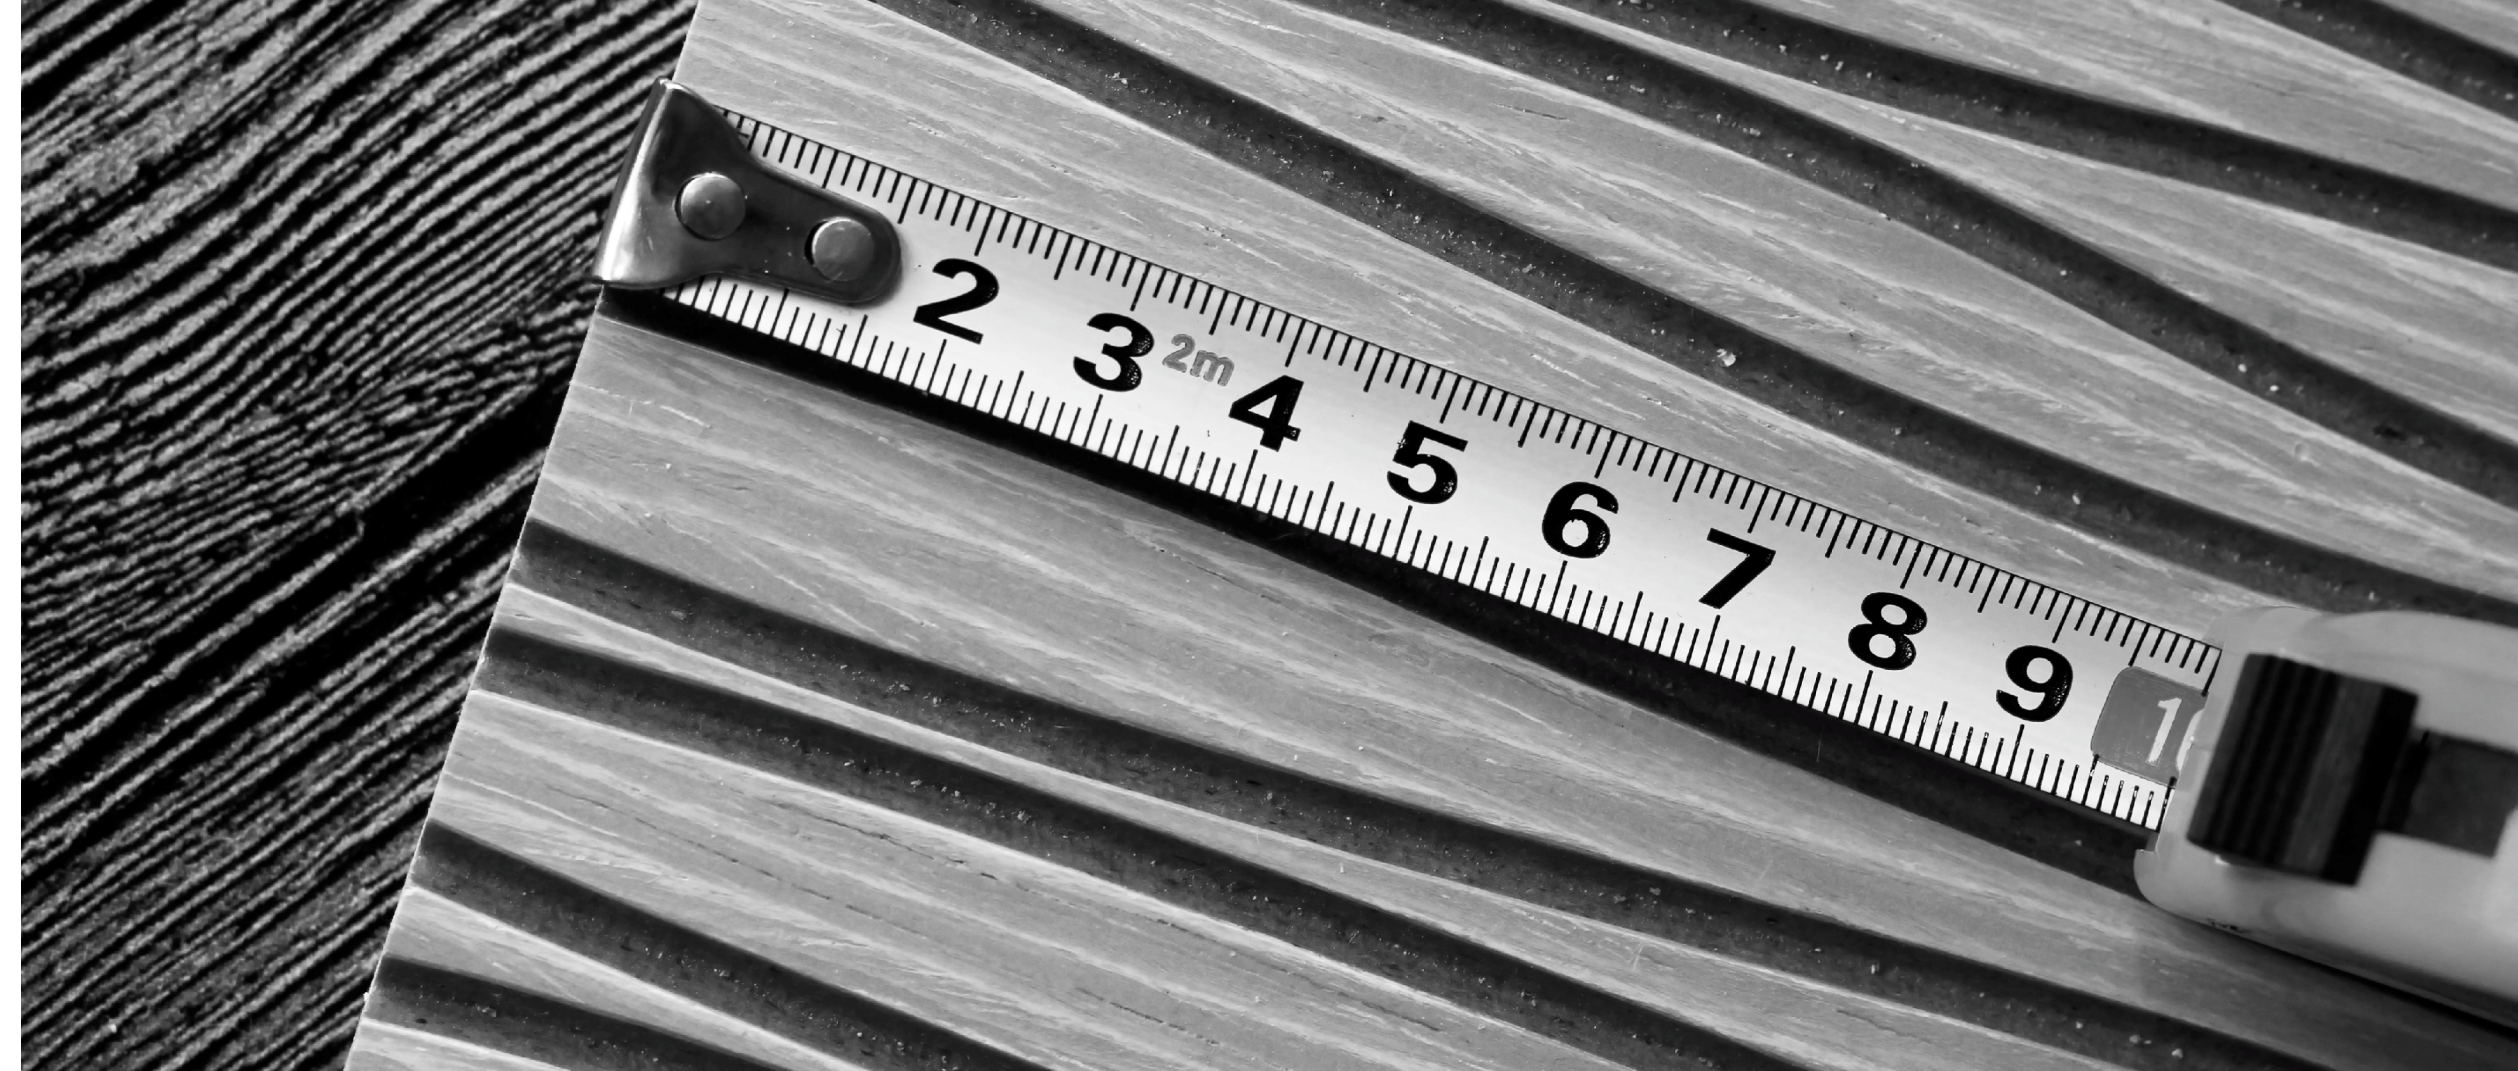

Porcelain Collection from Al Shams has been introduced after a meticulous research and feedback from the customers in the retail and the project segments in Middle East. The technical parameters of Al Shams Porcelain tiles are above par compared to the industry standards. The tiles are subject to rigorous quality checks during the various stages of production that we ensure defect free tiles reaches of customers

The designs reflect the latest trend in the industry and it is our promise to bring out the best of the new design to our customers regularly.

WE BELIEVE IN **PEOPLE**

We believe in human capital and it's potential. We believe in Talent, pro-active thinking and drive to excel. We believe in teamwork and expertise individual bring to the table. We believe that the sum of our talents will synergies the final outcome. We believe in people.

WE BELIEVE IN **QUALITY**

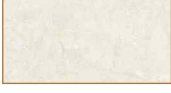

We select finest of raw material and employ the most innovative technologies to deliver products with outstanding quality. Over 20 years ago, the implementation of a Quality Management System in compliance with the ISO 9001 standard clearly illustrates our commitment in this area. We always seek push the bar higher for our product quality by continues R&D and process reengineering.
