

40X80 CERAMIC TILES COLLECTIONS

About US

Based in Nizwa, we operate six world-class production lines with an annual installed capacity over 18 million sq.m, supported by state - of - the-art Italian technology and advanced digital printing.

For more than two decades, Al Anwar has blended craftsmanship with technology to create tiles that reflect elegance, durability and sophistication.

Guided by our legacy of quality and innovation, we continue to shape modern living with tiles that promise style, strength and enduring beauty.
