About US

Based in Nizwa, we operate six world-class production lines with an annual installed capacity over 18 million sq.m, supported by state - of - the-art Italian technology and advanced digital printing.

For more than two decades, Al Anwar has blended craftsmanship with technology to create tiles that reflect elegance, durability and sophistication.

Guided by our legacy of quality and innovation, we continue to shape modern living with tiles that promise style, strength and enduring beauty.

Introduction

Established

Established in 1998, Al Anwar Ceramic Tiles Company SAOG is the first ceramic tiles manufacturer in Oman and a listed company on the Oman Stock Market.

ISO Standard

With ISO 9001:2015 certification and a strong dealer network, Al Shams is one of the largest-selling ceramic tile brand in the GCC.

Trusted Brand

Our products are trusted across Oman, the GCC and over 20 international markets for their quality, innovation and timeless appeal.
